Dear Parents,

Re: The passing away of a student

I am with great sadness to inform you that one of our students in Secondary 4B has passed away on 30 October 2019. Her sudden death may cause distress and anxiety in our students. The School Crisis Management Team has drawn up an intervention plan and the teachers, the school social workers and the boarding staff are rendering support and guidance to students in need.

We hope that parents will pay special attention to their children at such difficult times. You are encouraged to talk with them about their worries and feelings, and show them care and support. If you have any concern, please contact the class teacher at 2490 2955.

Yours sincerely,

Mr. WAN Chun Ki
