

Hong Kong Christian Service Pui Oi School

School Notice: 2019/20_079

21 January, 2020

Dear Parents,

A recent reported incident about our school on an online media

With regard to the incident reported on an online media on 20th January 2020 about a complaint on a school staff and a report to the Police, the school crisis management team is closely following the issue. During the period, the school has been working and maintaining close communication with the Incorporated Management Committee (IMC), the Education Bureau, the Police, parents and the entire staff. In order to enhance the transparency of the incident, it was explained to our parents attending the Closing Ceremony of the First Semester on 21st January 2020. As the case is now being investigated by the police and the school is highly concerned about the case, the staff concerned will not take care of students individually. The school will continue to assist the Police to investigate this case and communicate with the Education Bureau. It is hoped that the well-being of our Pui Oi students can be promoted with the concerted efforts and contribution of the parents and our school.

Should you have any queries, please contact Ms Anna Lee, Associate Vice Principal at 2490 2955.

Yours sincerely,

Mr. WAN Chun-Ki
Principal
