Dear Parents,

Re: Freezing Two Teacher Posts in Exchange of a Cash Grant

To enhance the effectiveness of teaching and the academic performance of students, our school has utilized different resources from the Education Bureau (EDB) to appoint more teachers. However, in the coming academic year, our school has vacancy posts of Principal Graduate Master/Mistress and Senior Primary School Master/Mistress. The school is considering applying for a cash grant from the EDB by freezing the above positions from 1 September 2020 to 31 August 2021. The school is planning to use the grant to appoint teacher of one-year contract to cater for different students' abilities, interests and needs. Moreover the number of lessons for the teachers will be able to remain nearly the same as before and so the teaching quality can be ensured. This can also provide teaching opportunities for the teachers who aim to teach in special schools and may bring in teachers with high potential to teach in our school.

According to the EDB's policy, with the consent of the Incorporated Management Committee, the majority of teachers and parents, the school can apply for a cash grant from the EDB by freezing less than 10% of the teaching staff establishment to allow greater manpower flexibility in school.

Please complete the reply slip and return to school on or before 2nd July for our processing.

Yours sincerely,

Mr. WAN Chun Ki
Principal
