Dear parents,

Re: Arrangements of Early Commencement of Summer Holiday

In view of the exponential growth of local confirmed cases of Coronavirus Disease (COVID-2019), the Education Bureau (EDB) announced that all schools should advance the summer holiday from 13 July. In this regard, our school Summer Holiday commenced on 13 July. Please take note of the following arrangements:

1. The school premises will open on the scheduled school days (13 and 14 July) and staff will be arranged to be on duty but no lunch will be provided. If your children need to return to school, parents please check the temperature of the student. If the student is unwell, he/she should not come to school and seek medical advice as soon as possible. Students have to wear and bring their own masks (at least two), and parents must also wear masks when entering the school.
2. The supplementary lessons to be held from 15 July to 21 July are cancelled.
3. The school will notify parents/students via intranet email about the home study arrangements from 13-21 July.
4. Parents please come to school to collect the school report, therapy reports and homework for the summer holidays from **15 to 17 July, within the office hours 0900 to 1700**. If you are not able to come within the above period, please contact the class teacher to arrange another time
5. Visiting is not allowed in the school and boarding sections for the time being to avoid the risk of cross infection.
6. During summer holidays, the school will continue to clean the premises thoroughly to ensure a clean and hygiene environment.
