**Hong Kong Christian Service Agency Newsletter “CS Voice”**

Dear Parents,

The publication of the Hong Kong Christian Service, CS Voice, reflects the views of the clients and different stakeholders. It promotes mutual understanding among different concern groups to a concerted voice of our time. It also participates in the improvement of social policies towards a society that is fairer, more just, sustainable and balanced.

The Summer 2020 issue has been launched with "Hope amid epidemic" as the theme. The recent issue describes the COVID-19 pandemic in Hong Kong, and writes down the stories of all walks of life in society during this period. It encourages everyone, though discouraged and disappointed, not to despair, but perpetuate the spirit of immortality in Hong Kong.

In order to protect the environment, parents can scan the following Quick Response Code (QR code) to read the latest issue of "CS Voice". If necessary, please contact the school to request a paper copy.

For any enquiries, please contact Ms Hung, the speech therapist at 2490 2955.
